

HARRISON  
RECREATION DEPARTMENT  
GERRY SALVO  
*Superintendent*  
(914) 670-3035

To our Harrison Parents:

February 10, 2022

We hope that you all are doing well and staying safe. The Recreation Department is in the process of formulating a plan to offer Summer Day Camp this year comparable to how it was run prior to the pandemic. Day Camp will be offered to children entering grades first through eight (as of Sept. 2022). We are waiting for any restrictions and protocols from the Westchester County Health Department. Currently we do not know the status of off site field trips; however we are planning for trips. We anticipate that these rules will change as we get closer to the summer.

Although we continue to recruit summer staff, we are anticipating a short fall in employment. As a result, participant enrollment will be limited. We have not made a determination yet if there will be a CIT program as they are considered campers and count into the camper-counselor ratios. However, we do hire fifteen year old summer staff to be counselors as well as lifeguards.

To allow for a fair opportunity for all to register for camp there will be a one day in person registration day.

**Registration will open on Saturday, April 2nd at the designated locations and during the times listed below. Each application will be time stamped. Registering that day does not guarantee placement. Starting Monday April 4th, applications can be brought to the Leo Mintzer Center or Sollazzo Center.**

Camp in West Harrison:

**In person registration only** on Saturday, April 2nd 9am-10:30am

Location: Outside the Ron Belmont Pool Complex

Camp in Down Town Harrison:

**In person registration only** on Saturday, April 2nd 9am-10:30am

Location: Brentwood Pool parking lot
